

S5-E01P(4-5)K-48

## Compatible Battery List

| Type        | Brand        | Model               | HMI Version |
|-------------|--------------|---------------------|-------------|
| Lithium     | Dyess        | B3                  | V0C         |
|             |              | B4850               |             |
|             |              | B48100              |             |
|             |              | B51100              |             |
|             |              | PowerDepot H2.5     |             |
|             |              | PowerDepot H5.0     |             |
|             |              | Powerbox F-2.5      |             |
|             |              | Powerbox F-5.0      |             |
|             |              | Powerbox F-7.5      |             |
|             |              | Powerbox F-10.0     |             |
|             | PYLONTECH    | Force L1 (CEI 0-21) | V0C         |
|             |              | Force L2 (CEI 0-21) |             |
|             |              | Phantom-S (CEI0-21) |             |
|             |              | US2000 (CEI 0-21)   |             |
|             |              | US3000 (CEI 0-21)   |             |
|             |              | US2000C (CEI 0-21)  |             |
|             |              | US3000C (CEI 0-21)  |             |
|             |              | UP5000              |             |
|             |              | US2000B             |             |
|             |              | US3000A             |             |
| US2000 PLUS |              |                     |             |
| Lead-acid   | flooded type | Support             |             |
|             | AGM type     | Support             |             |
|             | Gel type     | Support             |             |

- Details correct at time of going to press.
- Installing a non-compatible battery will VOID the inverter warranty.
- The chart shows you which Solis inverter is compatible with which battery.

- Batteries to be purchased separately. Solis shall not be responsible for the quality of the battery or service provided by the battery supplier.
